

This book was checked, repaired and rebound in April, 1995. At that time, fragments of acts 599 and 605 appeared to be missing. Act 625, bound in its proper numerical order, is, however, dated May 4, 1925 but is bound immediately following and preceding acts dated August 4, 1925. Act 550, the first act bound into this volume, is dated July 10, 1925 and the other acts in this book, except for act 625, follow act 550 in their proper chronological order. The acts bound into this book are indexed in volume 117.
