

This book was checked, repaired and rebound in August, 1996. At that time, act 949 together with fragments of acts 946 and 956C appeared to be missing. Act 903B, dated December 2, 1925, was bound in numerical order but not in the customary chronological order. The archives has retained that original order in this current rebinding. The acts bound into this volume are indexed in volume 117 of the Robert Legier acts.
