

This book was checked, repaired and rebound in April, 1995. At that time, fragments of acts 383, 385 and 439 appeared to be missing. In the original binding of this volume, the notary had bound act 369B preceding act 369 and following act 368. The archives has preserved that original order in this current rebinding. The index for the acts bound into this volume is housed in box 19 - S.
