

This book was checked, repaired and rebound in July, 1996. At that time, fragments of acts 546, 564, 566, 568 and 575 appeared to be missing. In the original binding of this volume, the notary had bound act 590A following act 590C. The archives has preserved that original order in this current rebinding. The index for the acts bound into this volume is housed in box 20 - S.
