

This book was checked, repaired and rebound in March, 1996. At that time, fragments of act 112 appeared to be missing. The notary appeared to have bound act 150 in the proper numerical order but not in the customary chronological order. The acts bound into this volume are indexed in volume 225 of the Robert Legier city acts. That index also lists all of the other 1930 city acts of Robert Legier.
