

This book was checked, repaired, and rebound in March, 1992. Before that rebinding, it was in a particularly damaged condition. Therefore several fragments that were found in the book, now housed in box 13-S-B, could not be identified with any specific acts. At this current rebinding, fragments of acts 153, 171, 181, 184, 185, 194, 205, 209, 210, 211, 212, and 215 appeared to be missing. Pages of acts 185, 209, and 211 were so badly damaged that xerographic copies were substituted for the originals and the originals housed in box 2-S. At act 131, a 1938 mortgage certificate was found attached to a 1909 act. The index to this volume is bound in with volume 32 of the Robert Legier acts.
