

This book was checked, repaired, and rebound in August, 1993. At that time, fragments of acts 517, 521, 565, 604, and 622 appeared to be missing. The acts bound into this volume are indexed in an index housed in box 19 - S. That index also indexes all the other 1919 Robert Legier acts except for the city acts. Internal evidence indicated that this volume had previously been rebound about 1938.
