

This book was checked, repaired, and rebound in March, 1993; it was then rechecked in May, 1998. At that time, a portion of act 16 and all of act 17 were found bound before act 1. Fragments of act 52 appeared to be missing. This volume was previously bound together with volume 67 A and was rebound by the WPA.

The index to this volume also indexes volume 67A of Theodore Guyol.

This book was checked, repaired, and rebound in March, 1993. At that time, acts 17, 18, 19, and 169 appeared to be missing. Also, fragments of acts 16, 52, and 118 appeared to be missing. This volume was previously rebound by the WPA.
