

From the Office of the . . .

Honorable Chelsey Richard Napoleon
**CLERK OF CIVIL DISTRICT COURT
AND EX-OFFICIO RECORDER**

I am delighted to announce that the Clerk of Civil District Court's office has created and implemented an Electronic Workflow. This workflow allows for the transmission of documents electronically from the Clerk's office to the Court and back. This process includes electronic signing of documents.

In conjunction with the creation and implementation of the electronic workflow, we have added features and functionality to the public facing online systems — remote access and public access.

Therefore, we are offering seminars that include free continuing legal education (CLE) credit. The seminars will be held as follows:
